## PROJECTS

---

- **Portfolio Site (<https://shivam1raj5.github.io/Portfolio>)**

I have created this Static Portfolio site using HTML, CSS, Bootstrap, JavaScript and deployed on GitHub. Given the Information about me such as my social media and Competitive Programming platform links, My skills, Educational, and Projects.

- **FevBazaar App ([https://github.com/shivam1raj5/FevBazaar\\_App](https://github.com/shivam1raj5/FevBazaar_App))**

I have created a Catalog App using Flutter. This App get product data from Json file and display there details. In this App user see the products and add into the cart, In the cart user can see total prices of there selected product and remove the selected items as par there choice. This App is platform independent.

## ORGANIZATION

---

- SLIET SOFTWARE DEVELOPMENT CLUB  
(08/2019 - Present)

## LANGUAGES

---

- English • Hindi
